## SAMUEL FIELD Y SUMMER CAMP REFERRAL PROGRAM

Thank you for referring a new camper to the Samuel Field Y. We are excited that you recommended our camp to another family. The Referral Program has the following rules and guidelines:

-  In order for a new camper to be considered as a referral, this form must be completely filled out and submitted to the Camp office.
-  The Camp office will send a letter to the family of the camper being referred to welcome them to Camp and confirm the referral.
-  A referral credit will be awarded for each new camper who enrolls in one of our sessions for 2011. A \$100 will be deducted from your camp bill for each camper who attends the program.

### In order for credit to be awarded, the following criteria must be met:

-  The new camper must be enrolled in one of our full day sessions in the summer of 2011.
-  The referred camper must not have attended the Samuel Field Y in the previous summer.
-  A new camper may not be referred by their parent or by someone else from the same household.
-  Referral credits will be distributed in one of two ways:
  -  If the new camper enrolls prior to May 1, you will receive a credit on your final tuition bill.
  -  If the new camper enrolls after May 1, you will receive a credit for the following summer.
-  Awards will consist of credit applied to the tuition of your child or children who are enrolled in any of our programs during the summer of 2011. Credit will not be extended beyond the value of your child or children's tuition for the summer of 2011. Credit cannot be transferred to children of other families.

In order to have your referral(s) considered, please read the attached Referral Program Guidelines, complete a Referral Form for each individual referral and then submit them to our office. You will be notified of the status of your referral after it has been reviewed.
